### JAGO NARI UNNAYON SANGSTHA (JNUS)

#### Advertisement

##### **Job Context:**

Jago Nari Unnayan Sangstha (JNUS) was established in 2009 as an independent, non-profit and non-political women-led Non Governmental Organisation (NGO) in Ramu Cox's Bazar, Bangladesh. From its inception, JNUS has been working in both prevention and response to Gender Based Violence (GBV) especially violence against women and girls. The organisation contributes to improve the conditions of the female victims and the youth in respect to human rights and justice. JNUS does have a strong advocacy network, collaboration with the community actors, enjoys high national and local reputation, and regularly undertakes initiatives along with other development partners.

JNUS will recruit for the position of '**Project Engineer**' under a project titled "Inclusive WASH services for the displaced population in the Rohingya camps of Cox's Bazar" which will be implemented with the support of BRAC.

This position is one of the key positions of the project implementation team of the mentioned project at the field location. He/she will be responsible for delivering tailored to the humanitarian WASH (Water, Sanitation, and Hygiene), and infrastructure-focused projects typically implemented in the camp context. He/she will work closely with Field Facilitator, volunteers to provide technical guidance, maintain site feasibility and technical assessment report (considering terrain, flood risk, soil condition), and uphold JNUS core principles while contributing to the mission and goals of Jago Nari Unnayan Sangstha (JNUS).
